G-CYL + GO-CYL SERIES

UNIVERSAL CYLINDRICAL LOCK PATCH FOR GLASS SWINGING DOORS

**G-CYL GLASS PATCH SHOWN WITH
SCHLAGE® ND SERIES**

Innovative Solutions for Glass Doors

G-CYL + GO-CYL SERIES

The G-CYL is a universal cylindrical lock patch for glass swinging doors. Designed to house any commercial cylindrical lock to work with wall partition systems with frameless openings. The G-CYL and GO-CYL Patch Kits are one solid piece that houses the cylindrical lock to provide a contemporary and sleek solution for centered and offset swinging glass door applications.

G-CYL + GO-CYL Series

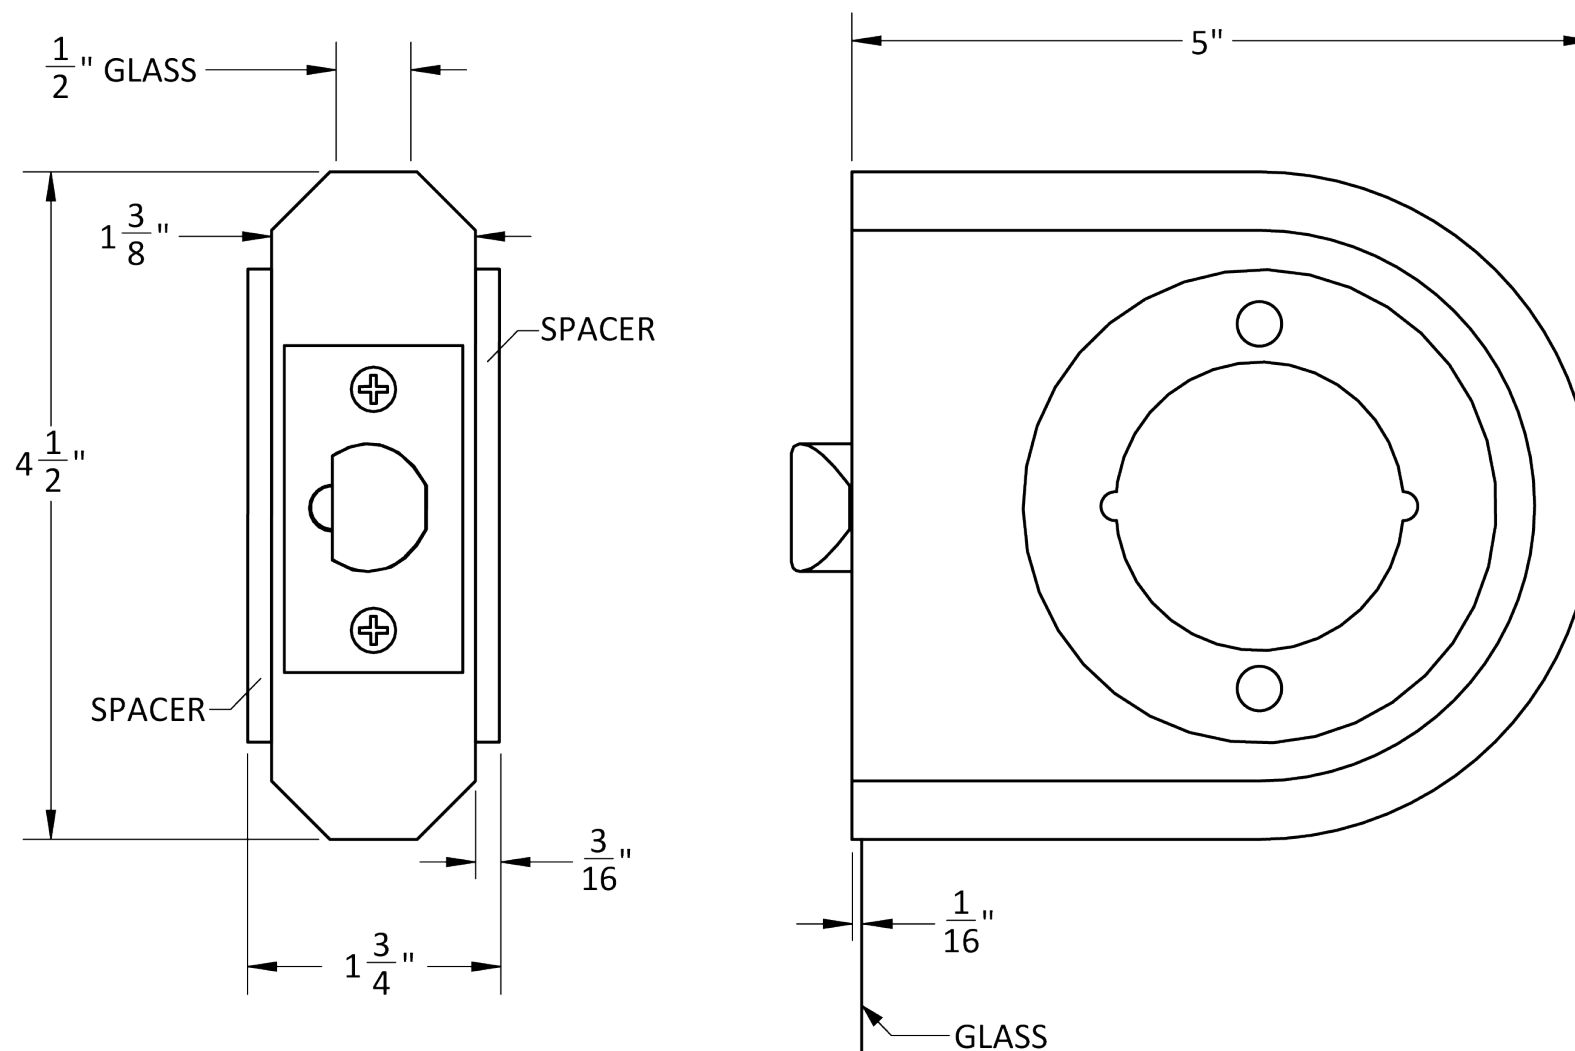

UNIVERSAL CYLINDRICAL LOCK PATCH KIT

- Available centered on glass (G-CYL) or offset on glass (GO-CYL)
- Designed for glass wall partition systems with frameless openings
- Standard set up is for a 2 ³/₄" backset lockset on 1 ¹/₂" thick tempered glass
- Note: Cylindrical locks to be supplied by others and can be installed onsite once G-CYL/GO-CYL patch is installed.
